LD 5, LD 6, LD 8, MESSENGER 1

Periodicity: INFREQUENT! As IFW President I find my time taken up in that capacity to such a degree that getting this 'zine out is a strain, plus some! Thus I will get one out with every move, IF I can, but otherwise the games will be run by carbon and the zine will come out when some passing God shines its light on me. Therefore, I think it only fair to ask all traders to renegotiate their trades. If I get regular again then all trades could go on--as it is I'm taking you guys, for a ride. So send your terms and we'll talk about it.

brontosaurus kind of incorporates LIAISONS DANGEROUS when LD doesn't incorporate it instead, and is published by Len Lakofka, 1806 N. Richmond St. Chicago Ill. 60647 312-342-6857. bronto is affiliated with the N3F Diplomacy society--Rod Walker, 5058 Hawley Blvd., San Diego Cal. for the Division--Don Miller, for the games bureau--and the IFW Diplomacy Society -- Edi Birsan acting president.
